

Everyone can use
it

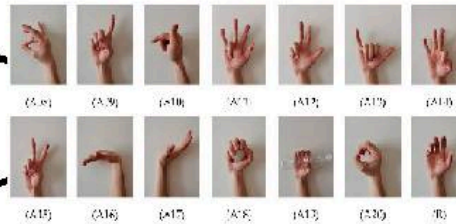

What do they **THINK**

what do they hear

Is it flexible or
Is it effective
only in certain
situations

Is it reliable
In Serious
critical
situations ?

What do they **SEE**

Easy To Use

Easy Operat

Helpful in
Critical
Situations

Keep an open
mind and take
in various
views and
opinions

PAIN

Cloud
Service &
Accessibility
Cost

GAIN

Can communicate
with computer with
our hands.
suitable for any
device
